

ADC AD50V TUMBLE DRYER

MODELS:

ADC AD-50V

DIMENSIONS:

HxWxD: 1830×870×1264mm

CAPACITY:

23kg

IDEAL FOR:

PUBLIC SECTOR

INDUSTRIAL

FEATURES:

- ▶ 18.30 cu ft basket volume
- ▶ 150,000 Btu/hr heat input, 750 cfm airflow
- ▶ Radial airflow
- ▶ Steel door with gasketless glass
- ▶ Easy access to lint compartment
- ▶ Fits through a standard 30" door
- ▶ Available in gas, steam and electric heat
- ▶ Self-diagnostic microprocessor

SAFETY SYSTEMS

- ▶ S.A.F.E Sensor Activated Fire Extinguishing System - We've eliminated fire concerns with our patented S.A.F.E. system that automatically senses a fire condition, immediately dispenses water to extinguish it, then shuts itself down, eliminating water damage and cleanup.

ONECARE[∞] This machine is eligible for our all inclusive service solution, One Care.
