

WOLF OZONE LAUNDRY SYSTEM

DIMENSIONS:

Height: 730mm
Width: 465mm
Depth: 220mm

OVERVIEW:

Natural & Safe
Industry Proven
Extends Fabric Lifespan

IDEAL FOR:

EDUCATION

HEALTHCARE

ANIMAL CARE

FEATURES:

- ▶ **Advanced Ozone Technology:** Harnesses ozone to disinfect laundry effectively, reducing the need for hot water and chemicals.
- ▶ **Superior Cleaning Performance:** Removes stubborn stains and odors, ensuring fresh and hygienic laundry results.
- ▶ **Energy-Efficient:** Reduces energy consumption by eliminating the need for hot water, contributing to cost savings.
- ▶ **Eco-Friendly Solution:** Minimizes chemical usage and water waste, promoting sustainability.
- ▶ **Customizable Settings:** Adjustable ozone levels and cycle durations to accommodate varying laundry requirements.
- ▶ **Easy Integration:** Seamless installation into existing laundry systems with minimal disruption.
- ▶ **Durable Construction:** Built to withstand the rigors of commercial laundry operations, ensuring long-term reliability.
- ▶ **Enhanced Safety Features:** Equipped with safety mechanisms to prevent ozone leaks and ensure user protection.
